“It’s a well maintained location very close to St Katharine Docks which provides various amenities in very pleasant surroundings.”

Jean James United Arab Shipping, 6 Thomas More Square

St Katharine Docks is a dramatic combination of converted warehouses and maritime architecture punctuated by restaurants, cafés, boutiques and galleries. A major Waitrose supermarket with underground parking is an integral part of the Square.

Just over the river, Butler’s Wharf at Tower Bridge is home to Le Pont de la Tour, the Design Museum and the Blueprint Café.
