

enterprising

“The Thomas More Square complex is an ideal location in view of its close proximity to restaurants, shops and other eating establishments in the area. It is also very close to Waitrose supermarket which provides excellent facilities as well as an in-house café.”

Jean James United Arab Shipping, 6 Thomas More Square

For many successful companies, achieving a balanced life is as important as generating a healthy bottom line.

Occupants of Thomas More Square enjoy open-air skies and big river views. There is space to think, room to grow, opportunity to focus, and time to relax.

They include some of the most prominent names in finance and technology including ICICI Bank, Svenska Handelsbanken, EasyNet and Golden Source Corporation. Engineering group Thales and accountants Hacker Young have recently taken a total of 100,000 square feet.
